## The Human League

I never thought I'd have the nerve  
To break from the conventional  
I never thought my path would curve  
And lead to sin intentional  
The heaven that you take me to  
Is really just a darker place  
I knew that if I fell for you

Made a folly out of caution  
Made all virtue seem bizarre  
Through a mirror of distortion  
Watching coldy from afar

Was a creature of the night  
Made a folly out of caution  
Made all virtue seem bizarre  
Through a mirror of distortion  
Watching coldy from afar  
Oh, shameless, oh  
For the touch of your hand  
Oh, shameless, oh  
Let them misunderstand  
Just the touch of your hand  
Oh, shameless, oh  
And they misunderstan
