

# Together In Electric Dreams

The Human League

I only knew you for a while  
I never saw your smile  
Till it was time to go  
Time to go away (time to go away)

Sometimes its hard to recognise  
Love comes as a surprise  
And its too late  
It's just to late to stay (to late to stay)

We'll always be together  
However far it seems (love never ends)  
We'll always be together  
Together in electric dreams

Because the friendship that you gave  
Has taught me to be brave  
No matter where I go  
I'll never find a better prize (find a better prize)

Though your miles and miles away  
I see you everyday  
I don't have to try  
I just close my eyes  
I close my eyes

We'll always be together  
However far it seems (love never ends)  
We'll always be together  
Together in electric dreams
