

## The Market

## The Hush Sound

Let me paint you a picture  
a picture that i know that you'd like  
i'll let the colors run  
it dries and then its done

and we'll go to the market and sell it  
its worth more to them then it is to you  
you said you'd put it on the wall but i dont want you to  
we'll go to the market and sell it

let me build you a fortress  
a fortress you can decorate  
i'll find a way to pay the bills to the estate

and we'll go to the market and sell  
it its worth more to them than it is to you  
you said you weren't happy  
and you won't be happy here  
we'll go to the market and sell it

let me give you some money  
some money for a daring escape we'll find a ticket cheap  
say good bye and you will leave and you'll go to the market in  
Paris  
its worth more to them  
than it is to you  
you said you won't be happy  
and you won't be happy here
