

# Angel of Mine

## The Icarus Account

There was a time when I was never really sure  
If I was ever gonna find that perfect girl  
But then came the day when you came my way  
Everything changed

I could tell straight from the moment that we met  
You would always be the girl I can not forget  
In all of my thoughts  
In all of my prayers  
All of my cares

So maybe I'm falling in love  
With an angel that came from above  
You're something to find  
One of a kind  
You are all that I can see  
Yea, sometimes it's hard to believe  
You're something to find  
One of a kind  
Angel of mine  
Angel of mine

I've never been the type to go all in  
But you were different it was evident  
So you gave me your heart  
I'll give you mine  
All of the time

So maybe I'm falling in love  
With an angel that came from above  
You're something to find  
One of a kind  
You are all that I can see  
Yea, sometimes it's hard to believe  
You're something to find  
One of a kind  
Angel of mine  
Angel of mine

Where did you come from from?  
Where have you been?  
I have been waiting all this time  
Angel of mine

So finally I've fallen in love  
With an angel that came from above  
You're something to find  
One of a kind  
You are all that I can see  
Yea, sometimes it's hard to believe  
You're something to find  
One of a kind  
Angel of mine
