The Icarus Account

Yeah I've got it good here
Tell me why I have to go
There's plenty of good girls
That I could get to know
Well no one has got to know
Yeah no one has got to know about it

Ooooooh...
What would you do in a city like this
In a place like this with the same old tricks
You fall in love just to get your kicks
Well I've had my fix now I want your kiss
So bad
I want you so so so so bad

Woohooohoo
I'm bad news when I'm around you baby
Woohooohoo
I'm just tired of being the good guy lately
I want you bad
I want you so so so so bad

So I'll give you a reason
Why I feel this way
It's just a season
How I feel today
Well I've heard what people say
I don't care what people say about it

Ooooh...
