

Come Back Home

The Icarus Account

I got, the call,
Needless to say I lost it all.
Five fears, like that,
I wonder if she's coming back, to me.

And I swear I love you more and more,
With every breath I breathe.
So come back home,
Just come back home.
And darling, don't you see that we,
Were always meant to be.
So come back home
Just come back home, to me.

I hope to god,
That he loves you just the way you want him to, you want him to
.
But know that he,
Will never love you like me, love like me.

And I swear I love you more and more,
With every breath I breathe.
So come back home,
Just come back home.
And darling, don't you see that we,
Were always meant to be.
So come back home
Just come back home, to me.

Don't let I end,
I think that we'd be happy,
If you just let me in.
Don't let it end,
I think that we'd be happy,
If you just let me in, you let me in.
If you just let love win.

So come back home to me.
I swear I'll always love you,
Even if you don't love me.
So go be free,
But come back home to me.
