

Dear Love

The Icarus Account

Dear Love,
It's been too long
Since I've seen you face
Since I've touched your hand
And Dear Love,
In case you didn't know I've been lost,
Without you here.
Without you here.

I am a sinking ship, I am a broken sail.
Without you here I just keep going
Down down down.

But I'll take this loss, it's not for keeps.
As I sing your name on every street
I'll be, I'll be home soon.
I'm just tired of thinking wishfully,
So next time I am taking you with me,
With me.
With me.

You should've seen the sky, last night:
The sunset view faded back to blue,
But it just didn't look the same without you.

I am a sinking ship, I am a broken sail.
Without you here I just keep going
Down down down.

But I'll take this loss, it's not for keeps.
As I sing your name on every street
I'll be, I'll be home soon.
I'm just tired of thinking wishfully,
So next time I am taking you with me,
With me.
With me.
With me, yeah.
With me.
With me, yeah.

Mayday, mayday, mayday I am going down.
Jump off, jump off, jump off or I'm gonna drown.
Mayday, mayday, mayday I am going down.
Jump off, jump off, jump off
Or I'm gonna drown...

I'll take this loss, it's not for keeps.
As I sing your name on every street
I'll be, I'll be home soon.
I'm just tired of thinking wishfully,
So next time I am taking you
Next time I am taking you,
Next time I am taking you,
Next time I am taking you...with me.
With me, yeah.
With me.
