

Lights Camera Action

The Icarus Account

So here we go Lights Camera Action
You are the star to this attraction
So come on and give up all your distractions
Please for me please for me

whoa oh

So this is the price for your admission
Giving someone else your attention
So come on and get up it's no competition
1 2 3 go it's time for the show

So dance dance and sing a little maybe for me
Give me something that I will not forget
Try try try a little for me please
Even if it's not the safest bet
Love love love is the answer
So come on we're in this thing together
Love love love is the answer
So come on let's make this last forever

So before you go give this a listen
This is our one only condition
Clapping our hands and singing along
Oh don't you know that this is where you belong

And i'm oh so tired you've got me spinning
And my hands are tied so throw me a line
Lights Camera Action give it some time
Lights Camera Action Lets Go
