

She Walks Away

The Icarus Account

Shes got a red dress,
she wears all the time.

I've got my heart set,
on making her mine.

Cause I just can't live without her;
cant stop thinking about her.

And even if I could it wouldn't do me any good 'cause I know,
she's got it all, all.

She walks away.
I can tell by the way she moves,
she don't play games.
I can tell by the way she moves
I'm just another one, just another one, Baby.
Woah, just another one, just another one, Baby.

She's got a long list
and I'm right at the top

of things she don't need,
but I'll never stop.

'Cause I just can't live without her;
can't stop thinking about her,

and even if I could it wouldn't do me any good 'cause i know
shes got it all, all.

She walks away.
I can tell by the way she moves,
she don't play games.
I can tell by the way she moves,
I'm just another one, just another one, Baby.
Woah, just another one, just another one, Baby.

Oh, Baby, give it a rest, come on.
It's so crazy, but its for the best, come on.

Give it a rest come on, give it a rest come on.
Give it, give it, give it, Baby, give it a rest come on.

So, call me crazy, but I think I've got it all figured out.
There's one-in-a-million chances I'm the one she's thinking about.
She's moving, I'm losing time.

So, I'm making a move; making a pass; making it fast.
Who would've thought there was a chance that we'd make it last.

But I'm taking
my chances.
I'm taking my chance.

She walks away.
I can tell by the way she moves,

she don't play games.
I can tell by the way she moves,
I'm just another one, just another one, Baby.
Woah, just another one, just another one, Baby.

Just another one, just another one, Baby.

Oh, Baby, give it a rest, come on.
It's so crazy, but its for the best, come on.
Give it a rest come on, give it a rest come on.
Give it, give it, give it, Baby, give it a rest come on.
