

Tidal Waves And Hurricanes

The Icarus Account

And I love the way
the way you say you love me so
and how you won't let go

And I love the place
you always seem to take me to
it's all I want from you

and if I have you
My heart is complete
and if I have you
what else will I ever need?

Tidal Waves and Hurricanes
can't make my love change
it's true

And what we have will never fade
Cause I am so in love
with you

And I've been hearing your voice like radio
while I've been trying to catch up on my sleep
but baby it's so hard without you

and girl you don't even know

I've fallen in love with you so
And now that you found me
I'm finally happy

and if I have you
My heart is complete
and if I have you
what else will I ever need

Tidal Waves and Hurricanes
can't make my love change
it's true

And what we have will never fade
Cause I am so in love
with you

(If I have you)
Girl you don't even know
(If I have you)
I've fallen in love with you
oh fo sho
