## **Tidal Waves And Hurricanes**

## The Icarus Account

And I love the way the way you say you love me so and how you won't let go

And I love the place you always seem to take me to it's all I want from you

and if I have you
My heart is complete
and if I have you
what else will I ever need?

Tidal Waves and Hurricanes can't make my love change it's true

And what we have will never fade Cause I am so in love with you

And I've been hearing your voice like radio while I've been trying to catch up on my sleep but baby it's so hard without you

and girl you don't even know

I've fallen in love with you so
And now that you found me
I'm finally happy

and if I have you
My heart is complete
and if I have you
what else will I ever need

Tidal Waves and Hurricanes can't make my love change it's true

And what we have will never fade Cause I am so in love with you

(If I have you)
Girl you don't even know
(If I have you)
I've fallen in love with you
oh fo sho
