

Unpredictable

The Icarus Account

She's unpredictable
She's got it all, she is the perfect girl.
How does it feel to be one in a million?
Dressed to be killin' all of us?
I'm gonna fall in love
I bet she knows I just cant get enough.
She makes me feel like it's 11:11, closer to heaven tonight.
She said "Don't forget to breathe, I see you shaking when you're standing next to me"
I said "I'm breaking 'cause you're some kind of angel, I'll never be able to let go, let go let let let you go"
She came across the room.
T-t-t-tell me what you're gonna do.
Well let's just say that, let's just say well let's just say, I want you and I need you.
And Oooo she's all I ever think about, I-i-i-i
i can't seem to figure it out.
She said "Don't forget to breathe, I see you shaking when you're standing next to me"
I said "I'm breaking 'cause you're some kind of angel, I'll never be able to let go, let go let let let you go"
"And don't forget to breathe, I see you shaking when you're standing next to me"
I said "I'm breaking 'cause you're some kind of angel, I'll never be able to let go, let go let let let you go"
And maybe, I'm just a little too crazy
I just don't know what to say, I just don't know what to do
I think that I'm just a fool
I think I'm falling in love with you-u-u, ohhhh
With youuuuuuuuuuu
She said "Don't forget to breathe, I see you shaking when you're standing next to me"
I said "I'm breaking 'cause you're some kind of angel, I'll never be able to let go, let go let let let you go"
"And don't forget to breathe, I see you shaking when you're standing next to me"
I said "I'm breaking 'cause you're some kind of angel, I'll never be able to let go, let go let let let you go.
Let go let go let let let you go. Let go let go let let let you go"
