

## And The Sad Thing Is...

The Icarus Line

Now i can see what you're doing to me  
And i'm begging me to stop this  
Now i can't see what you're doing to me  
What are you doing to me?  
Daylight savings time couldn't save me from you  
Angel in my mind, casual abuse  
And the sad thing is you'll never know me  
(i can test you, i can tell you're lying)
