

Everybody Loves To Play The Fool

The Icicle Works

(McNabb)

You can beat me to submission
You can bring me to my knees
But whatever you do I'll come running for you
You can't use me as you please

Chorus: Fool, fool, fool
Everybody loves to play the fool

You can tell me that it's over
You can hold me down in chains
You can kiss me once 'n' leave me baby
There's blue sky when it rains

Repeat Chorus
