Everybody Loves To Play The Fool

The Icicle Works

(McNabb)

You can beat me to submission You can bring me to my knees But whatever you do I'll come running for you You can't use me as you please

Chorus: Fool, fool, fool Everybody loves to play the fool

You can tell me that it's over You can hold me down in chains You can kiss me once 'n' leave me baby There's blue sky when it rains

Repeat Chorus
