

I Think I'm Gonna Be Ok

The Icicle Works

(McNabb)

I think I'm gonna be okay without her,
I think I'm gonna be okay, she's gone,
I think I'm gonna be okay, I've lost her,
I think I'm gonna be okay, alone...

I think I'm gonna be okay, I hurt her,
I think I'm gonna be okay, I lied,
I think I'm gonna be okay, it's over,
I think I'm gonna be okay, denied.

Why is love so complicated
Oh why? Oh why?

I think I'm gonna be okay or crazy.
I think I'm gonna be okay in time...
