

# One Good Eye

The Icicle Works

(McNabb)

See me comin' man, you better run,  
Pocket full of buckshot, loaded gun,  
Y' took my lady, then you told her lies,  
Gonna put you in the ground,  
With my one good eye,  
See me comin', you better run...

One good eye,  
That's all it takes to make you die,  
One good eye,  
Gonna take my aim,  
Gonna blow you right thru to the other side

Well now, I don't do drugs, & I don't drink beer,  
But I ain't the only liar round here,  
Y' bring us all down when y' come around,  
With my one good eye,  
I'll put you in the ground  
Don't do drugs, & I don't drink beer.

One good eye, make you die.
