Turn Any Corner

The Icicle Works

Turn any corner
Tell, what do you see?
You can ask any stranger
Come along, come with me

(Look around)
In the fields and the busy city
(Look around)
At the bottom of the deep blue sea
(Look around)
High above on the misty mountain, come along with me
Take a look around

Turn any corner
Tell, what do you see?

(Look around)
In the fields and the busy city
(Look around)
At the bottom of the deep blue sea
(Look around)
High above on the misty mountain, come along with me
Take a look around

(Look around)
In the fields and the busy city
(Look around)
At the bottom of the deep blue sea
(Look around)
High above on the misty mountain, come along with me
Take a look around

Turn any corner (repeat to fade)
