## **Understanding Jane**

## The Icicle Works

I've been so lonely, she can't understand the way I feel I'm holding on, I'm walking home alone, I'm here without her It seems that all the boys appreciate her All the girls speak highly of her energy Do you think that it could work for Jane and me?

'Cause I still want her, I still remember summer Way back when, we both felt the same And I still love her, I can't stop thinking of her I'm having trouble understanding Jane

One by one my marbles left me, Jane would smile but never hold me

One night at the pool hall, asked her if she'd hold my cue Can't impress her with no fancy car, resigned to lean here at the bar

I'll lose my mind, shiver in responsibility

'Cause I still want her, I still remember summer Way back when, we both felt the same And I still love her, I can't stop thinking of her I'm having trouble understanding Jane
