Lack Of Credibility

The Idoru

hello my "friend" i'm here again these times remind me of days when we were friends. turning the world upside-down, this is an option that's not advised having ridiculous fights, it's a childish war against normal life. parents behind your back work all day long when you act as the revolutionist in your civil war turning the whole world upside-down, now I know that nothing happened on your side. Put your armour down, which you hood behind, Show to believers who you really are. what you work yourself to death for is your fantasy and nothing more come on make up a confession release yourself from the pressure
