

## Homewrecker

## The Illumination

Fuck your closure,  
I've wished you dead for this.  
Fuck forgiveness,  
I'll hold this grudge like nobody's business.  
I'll hold this grudge until the day I fucking die.  
Whore yourself out,  
so much for self-esteem,  
So much for your self-esteem,  
I hope you fucking choke on all the pride you swallow.  
Your innocence in exchange for my sanity.  
Looks of disgust will follow you straight to hell  
Fuck your closure.  
Fuck your forgiveness.  
This is all my fault,  
for ever trusting you.  
My fault,  
for ever letting you in.  
My fault.  
You're just another fucking slut,  
looking for another dick to suck.
