

No Shortage

The Imperials

There's a shortage on corn
and there's a shortage on wheat
There's a shortage on beans
and there's a shortage on meat
Things that we're needing we just can't hardly buy
soon we'll be asking if we're all gonna die
But I know a great thing that there's no shortage of
There's no shortage on God's mercy
There's no shortage on God's love
(verse 2)
There's a shortage on fuel oil
and there's a shortage on gas
There's a shortage on wood
and there's a shortage on glass
Things that we've wasted are now precious to buy
You know there's even a shortage on the air in the sky
But I know a good thing that there's no shortage of
There's no shortage on God's mercy
There's no shortage on God's love
God is love and mercy unending
His precious love will lead you, no doubt
When from Satan you need defending
God has supply that will never run out
There's a shortage on friendship
There's a shortage on smiles
There's a shortage on neighbors
though there's millions for miles
Thank Heaven for one thing that there's no shortage of
There's no shortage on God's mercy
There's no shortage on God's love
There's no shortage
There's no shortage...
