

I Need You

The Impressions

I don't wanna be happy
With somebody else
When I know in my mind
I'd be wasting her time
No need of fooling myself

And if you don't love me
Why be concerned
About the life I lead
Why to me introduce
Someone else
When you know "someone else"
I don't need

I need you
I need you
I need you
And I guess I'm just a stubborn fool
Kind of hard headed
Like a mule
But how do I love someone else
When I need you
When I need you

Well I guess these things don't matter
And I apologize
There's no kind of love between us
I can see from the looks of your eyes
And now you're with another
And you say I should join the clan
And I guess I could be happy
That is if I was another man

But I need you
I need you
I need you
And I guess I'm just a stubborn fool
Kind of hard headed
Like a mule
But how do I love someone else
When I need you
When I need you
When I need you
When I need you
When I need you
