The Circle Is Unbroken

The Incredible String Band

Seasons they change while cold blood is raining I have been waiting beyond the years Now over the skyline I see you're travelling Brothers from all time gathering here Come let us build the ship of the future In an ancient pattern that journeys far Come let us set sail for the always island Through seas of leaving to the summer stars

Seasons they change but with gaze unchanging O deep eyed sisters is it you I see? Seeds of beauty ye bear within you Of unborn children glad and free Within your fingers the fates are spinning The sacred binding of the yellow grain Scattered we were when the long night was breaking But in the bright morning converse again.
