

# You Get Brighter

## The Incredible String Band

You get brighter every day and every time I see you  
Scattered brightness in your way and you taught me how to love you

And I know you belong to everybody but you can't deny that I'm you  
I know you belong to everybody but you can't deny that I'm you  
Oh no, oh no

In the morning when I wake, I moor my boat and greet you  
Hold your brightness in my eye and I wonder what does sleep do  
For you get brighter every day and every time I see you  
Scattered brightness in your way and you taught me how to love you

And I know you belong to everybody but you can't deny that I'm you  
I know you belong to everybody but you can't deny that I'm you  
Oh no, oh no

Oh wondrous light, light, light, lighter  
You give all your brightness away and it only makes you brighter  
For you get brighter every day and every time I see you  
Scattered brightness in your way and you taught me how to love you

And I know you belong to everybody but you can't deny that I'm you  
I know you belong to everybody but you can't deny that I'm you  
Oh no, oh no

You get brighter every day and every time I see you  
Scattered brightness in your way and you taught me how to love you

And I know you belong to everybody but you can't deny that I'm you  
I know you belong to everybody but you can't deny that I'm you

Krishna colors on the wall, you taught me how to love you
