

## Bigger Cages, Longer Chains

### The (International) Noise Conspiracy

Hold me down, 'cause I don't want to wait  
I've been blackmailed by myself into this state  
Shut it up, 'cause I don't want to hear  
These old boring ethics must end right here

Hold me down, 'cause I don't want to be  
Another victim of salvation that's choking me  
Set it off, 'cause I've had enough  
So please please please yeah baby shut up

Consider me consider this  
Empty phrases kissing on emptiness  
Hold me down, 'cause I don't want to wait  
For some lame unemployment plan to set it straight

Shut it up, cause I don't want to hear  
About prospects of redemption by the things we fear  
Hold me down, cause I don't want to go  
Things are moving backwards baby or not at all

Set it off, 'cause this is killing me  
Just waiting for something that will set us free for real  
Consider me consider this  
Empty phrases kissing on emptiness

You see now baby this fire turns to flames  
And I kept hoping that things they would change  
But now I see what they are offering me  
Are just bigger cages and longer chains
