Bigger Cages, Longer Chains

The (International) Noise Conspiracy

Hold me down, 'cause I don't want to wait
I've been blackmailed by myself into this state
Shut it up, 'cause I don't want to hear
These old boring ethics must end right here

Hold me down, 'cause I don't want to be Another victim of salvation that's choking me Set it off, 'cause I've had enough So please please please yeah baby shut up

Consider me consider this
Empty phrases kissing on emptiness
Hold me down, 'cause I don't want to wait
For some lame unemployment plan to set it straight

Shut it up, cause I don't want to hear About prospects of redemption by the things we fear Hold me down, cause I don't want to go Things are moving backwards baby or not at all

Set it off, 'cause this is killing me

Just waiting for something that will set us free for real

Consider me consider this

Empty phrases kissing on emptiness

You see now baby this fire turns to flames
And I kept hoping that things they would change
But now I see what they are offering me
Are just bigger cages and longer chains
