Do you wanna know how it feels, yeah

Do you know, know my name? let's make a list of our complaints
Let's make a list, let's make a list, make a list and put it to flames

I'm tired of playing, i'm tired, make it all go away and that's what i say

Do you know, know my name? let's make a list of everything
Let's make a list
Do you know, know my name?
