## Do You Know My Name?

## The (International) Noise Conspiracy

Do you know, know my name? so where do we, do we begin? Papercuts, yeah, papercuts, yeah, papercuts from writing too mu ch

Do you know, know my name? let's make a list of our complaints Let's make a list, let's make a list, make a list and put it to flames

Do you know how it feels to not owe anyone anything, come on Do you wanna know how it feels, yeah

Do you know, know my name? let's make a list of our complaints Let's make a list, let's make a list, make a list and put it to flames

I'm tired of playing, i'm tired, make it all go away and that's what i say

I'm tired of playing, i'm tired, make it all go away and that's what i say

Do you know, know my name? let's make a list of everything Let's make a list

Do you know, know my name?
