

I Swear If U Do

The (International) Noise Conspiracy

rob the innocence, just like small boys playing naked in the ra
in come on
keys to unlock pretty much what you want, my heart and everythi
ng
a feeble gesture, like writing king mob or black mask on the wa
ll
i stay focused but you, you can stay indoors come on
yeah, steal the plan, a hundred thoughts focused all in discont
ent
a new heatwave, a total meltdown of your bourgeoisie ways
an open invitation of seduction, destruction and all between
a new dream, a brand new language full of silent screams
i swear we can make it
- come on come on - come right on - i swear, i do - if you do t
oo
- i swear, i do - just about - ??? with you - yeaaaahh
