## I Swear If U Do

## The (International) Noise Conspiracy

rob the innocence, just like small boys playing naked in the ra in come on

keys to unlock pretty much what you want, my heart and everything

- a feeble gesture, like writing king mob or black mask on the wa ll
- i stay focused but you, you can stay indoors come on yeah, steal the plan, a hundred thoughts focused all in discont ent
- a new heatwave, a total meltdown of your bourgeoisie ways an open invitation of seduction, destruction and all between a new dream, a brand new language full of silent screams i swear we can make it
- come on come on come right on i swear, i do if you do t
  oo
- i swear, i do just about ??? with you yeaaaahh
