Ready Steady Go!

The (International) Noise Conspiracy

Got my heart set on destruction, going to plant a bomb inside m $y \ \text{mind}$

Filled with passion, hope and resistance, take it to the street s this time

Going to steal the language of power, the power of these words are ours

No rhetorical blackmail to will us convey, baby there's no othe r way

Got my heart set on destruction of the more Bakunin-esque kind Tear it down to built something new up, work myself all wet thi s time

Going to gather my brothers and sisters, together we will organ ize

The biggest festival of the history, the biggest party of our l ives $\frac{1}{2}$

Yeah, I'm going to bring you some news I've got the insurrection blues

Got my heart set on destruction, going to plant a bomb inside m ${\bf y}$ mind

Filled with passion, hope and resistance, take it to the street s this time

Going to gather my brothers and sisters, together we will organ ize

The biggest festival of the history, the biggest party of our lives

Yeah, I'm going to bring you some news I've got the insurrection blues

You and me, the conspiracy
