Smash It Up

The (International) Noise Conspiracy

I want to smash it up for all the workers who spent hours into nothing I want to smash it up for all my sisters who got caught up in t his funky system I want to smash it up just like a locust, like a satellite shoo ting rockets I want to smash it up in every way I can, right now I think I w ant to be your man Smash it up yeah, when I'm down I want to smash it up for all the kids who got fucked up just l ike their parents did I want to smash it up, the gods and masters who made us die so much faster

You know I wanna smash it up You know we gotta smash it up Come on pretty, smash it up Everybody right now, come on everyone

Smash it up yeah, when I'm down

I want to smash it up for all the people and for our right to b e treated equal I want to smash it up for all my friends, I hope you stick arou nd until the very end You know I wanna smash it up You know we gotta smash it up Everybody wants to smash it up Come on everyone, right now

Smash it up yeah, when I'm down

I want to smash it up
