

Come Over

The Internet

Hello? You at home right now?
Hit me up when you get home
Call me when you get home
Just keep me posted, call me

Know you wrong, but 'sho you right
Home alone for the night
I can turn you on with my dirty mind
Say I won't, worth a try
Puppy love, butterflies
Made you blush, you made me smile
What you want, baby, you decide
Why we grown wasting time

You're beautiful, babe
You're really something
Stylin' I gotta say
T-shirt, designer jeans
You got me open
Filled with emotion
Living in ecstasy
Just want you next to me

I'll bring the champagne
Don't turn me down, babe
We can play simon says or watch TV in bed
Wake with the sunrise
Sleep in it's alright
Ain't even gotta sex

Mmm but, I know what you like, baby
Can I come over, come over
You're wasting your time, baby

If you just let me come over babe
If you just let me come over babe

Know you wrong, but 'sho you right
Home alone for the night
I can turn you on with my dirty mind
Say I won't, worth a try
Puppy love, butterflies
Made you blush, you made me smile
What you want, baby, you decide
Why we grown wasting time
Steve..

If you just let me come over, babe
If you just let me come over, babe

Know you wrong, but 'sho you right
Home alone for the night
I can turn you on with my dirty mind
Say I won't, worth a try
Puppy love, butterflies
Made you blush, you made me smile
What you want, baby, you decide

Why we grown wasting time
