

Knife Song

The Irrepressibles

Baby, it's such a shame you aggravate me
Will this all be in vain
Maybe, I can't be sure of anything you say
You're devious and vain
Don't treat me like the fool I'm not
I'll miss me when you're gone
Oh yes I will
Oh yes I will
Oh yes I will... ooh

Jamie, it's such a shame you disappoint me
Will this all be in vain
Maybe, I can't be sure of anything I say
I'm insecure and vain
Don't treat me like the fool I'm not
I'll miss you when you're gone
Oh yes I will
Oh yes I will
Oh yes I will... ooh

Rain falls, glazing my face,
It hits my lips a bitter taste - of what I might become
Train pawn, takes me away to etherness and otherness
There's madness on my tongue
Don't treat me like the fool I'm not
We'll miss this when it's gone
Oh yes we will
Oh yes we will
Oh yes we will... ooh
