

# Climbin' Up the Ladder

The Isley Brothers

Climbin' up the ladder  
I keep pushin' and I'm round to know  
Climbin' climbin' the ladder  
Though it be shakin'  
Ain't it up that I gotta go?

Keep me in the backroads  
Why should I stay down?  
I keep tryin', tryin' my best now baby  
To reach that solid ground

Ain't nothin' wrong baby, ain't nothin' wrong  
In believin' in a dream  
Ain't nothin' wrong baby, ain't nothin' wrong  
Though the evidence unseen

Climbin' up the ladder  
I keep pushin' and I'm round to know  
Climbin' climbin' the ladder  
Though it be shakin'  
Ain't it up that I gotta go?

Reach out for the wisdom  
Touchin' it every day  
I keep reachin' for my next step baby  
I keep hopin' that I find a way

Ain't nothin' wrong baby, ain't nothin' wrong  
In believin' in a dream  
Ain't nothin' wrong baby, ain't nothin' wrong  
Though the evidence unseen

Climbin' up the ladder  
I keep pushin' and I'm round to know  
Climbin' climbin' the ladder  
Though it be shakin'  
Ain't it up that I gotta go?

Seekin' satisfaction  
Doubt that I believe?  
But don't try me try my faith now baby  
I said Daniel's stopped the mouths of beasts!

Ain't nothin' wrong baby, ain't nothin' wrong  
In believin' in a dream  
Ain't nothin' wrong baby, ain't nothin' wrong  
Though the evidence unseen
