

# Groove with You

The Isley Brothers

Though I've been thinking of you  
And you've been thinking of me  
Oh I'll give all that I have  
If you give all that I need  
And oh oh let's be fair  
And I think it's time to clear the air  
You been watchin' me  
I been watchin' you  
You know I've been wantin' to groove with you

Girl speak your mind (groove with you)  
You've been thinkin' all of this time (groove with you)  
Oh baby what I wouldn't do (groove with you)  
To be spendin' my days with you

Oh love is all in your eyes  
Love fire burnin' for me  
You stayed all in my mind  
Oh woman, it's easy to see

Oh - ho let's be fair  
You know it's time we clear the air  
You've been watchin' me  
I've been watchin' you  
And you know, you know (groove with you)  
Oh I wanna groove, I wanna groove  
(Groove with you)  
I been thinkin', you been thinkin'  
Thinkin' of me (groove with you)  
Oh oh what I wouldn't do  
To groove with you

(Groove with you)  
You been watchin', I been watchin', watchin' you  
(Groove with you)  
And ooo-ooo  
And every chance I get (every chance I get)  
)From the first time we met  
I wanna groove with you  
I wanna groove (groove with you)  
Yeah, yeah  
I wanna groove (with you)  
I wanna groove, -oove, -oove, -oove, ooo  
I wanna groove with you  
(Groove with you)  
I been thinkin', you been thinkin'  
Thinkin' of me (groove with you)  
I wanna groove, hoo-hoo-hoo-hoo  
Grove with you

(Groove with you)  
I been watchin', you been watchin'  
Watchin' me (groove with you)

I wanna groove hoo-hoo-hoo-hoo  
Grove with you  
I wanna grove with you

I wanna groove (with you)

Baby... listen

Every chance I get (every chance I get)

From the first time we met
