Hello It's Me

The Isley Brothers

Hello, it's me I've thought about us for a long, long time Maybe I think too much but something's wrong There's something here that doesn't last too long Maybe I shouldn't think of you as mine

Seeing you Or seeing anyone as much as I do you I take for granted that you're always there I take for granted that you just don't care Sometimes I can't help seeing all the way through

It's important to me that you know you are free 'Cause I never want to make you change for me

Think of me You know that I'd be with you if I could I'll come around to see you once in a while Or if I ever need a reason to smile And spend the night if you think I should
