## Here We Go Again

## **The Isley Brothers**

Well Yeah Oh

What do you do when you love somebody And everything is goin' wrong, oh, no Nobody knows the way you feel about it 'Cause only you know, you can't leave it alone

Oh, here we go again Oh, here we go again I thought what we had was over Here we go again, ooh, hoo Oh, here we go again

What do you do when you love somebody And you decide to go it alone, oh, no, no It never pays to give up on someone When on the inside the feelin' is strong

Oh, here we go again Oh, here we go again I thought what we had was over now (Here we go again) Ooh, baby Oh, here we go again, ah

After all we've been through, baby, yeah I keep comin' back to you now Out of all the women in the world I keep comin' back to you, yeah, baby

What do you do when you love somebody And realize you're walkin' away, oh, no, no You hesitate when it's time for leavin' You and I know it's never too late

Oh, here we go again Here we go again Don't ever say it's over now (Here we go again) Ooh, baby Here we go again, oh

After all we've been through, baby, well I keep comin' back to you now Out of all the sweet women of the world I keep comin' back to you, yeah, baby

Oh

After all we've been through, baby, yeah I keep comin' back to you now Out of all the sweet women of the world I keep comin' back to you, yeah, baby
