

# I'm Gonna Knock on Your Door

The Isley Brothers

Elaine, this is Rudolph out here  
If you don't come out tonight  
I'm gonna knock on your door, ring on your bell  
Tap on your window too  
If you don't come out tonight while the moon is bright  
I'm gonna knock and ring and tap until you do  
I'm gonna knock on your door, call out your name  
Wake up the town, you see  
I'm gonna hoot and howl like the lovesick owl  
Until you say you're goin' out with me  
Hey little girl, this ain't no time to sleep  
Let's count kisses 'stead of countin' sheep  
How can I hold you near  
With you up there and me down here?  
I'm gonna knock on your door, ring at your bell  
Wake up the town, you see  
If you don't come out tonight while the moon is bright  
I'm gonna knock and ring and tap until you do  
Hey, little girl, this ain't no time to sleep
