

# I Once Had Your Love (And I Can't Let Go)

The Isley Brothers

Every day I think of you  
Can't believe it's true that I'm so into you  
That I don't know where I'm goin'  
I never felt this way before  
All I wanna do is to love you, baby  
Behind closed doors

Ooh, I once had your lovin', baby  
And I can't let go  
I once had your lovin', baby  
And I can't let go

I once had your lovin', baby  
And I can't let go  
Don't let go  
All of the good times that we shared

Every day's a holiday  
We could celebrate makin' love together  
Ooh, let's keep this fire burnin'  
Every day is new, girl  
When I think of you I get so excited  
Ooh, you keep my whole world turnin'

I just had your lovin', baby  
And I can't let go  
I once had your loving, baby  
And I can't let go

I once had your loving, baby  
And I can't let go  
Don't let go  
All of the good times that we shared

Can't let you go  
Can't let you go  
Can't let you go  
Can't let you go

Girl, I can't let you go  
Sure as heaven above we've found love

You and I can fly away  
Maybe to L.A. or some lovely island  
Take a stroll along the ocean  
Building castles in the sand  
Doin' all the things we planned together  
Ooh, I love you so much, baby

I once had your lovin', baby  
And I can't let go  
I once had your lovin', baby  
And I can't let go

I once had your lovin', baby  
And I can't let go  
Don't let go

All of the good times that we shared

I once had your lovin', baby  
And I can't let go  
I once had your lovin', baby  
And I can't let go

I once had your lovin', baby  
And I can't let go  
Can't let it go, girl

I once had your lovin', baby  
And I can't let go  
I once had your lovin', baby  
And I can't let go

I once had your lovin', baby  
And I can't let go  
Can't let it go, no, no

Ooh, I once had your lovin', baby  
And I can't let go  
I once had your lovin', baby  
And I can't let go

I once had your lovin', baby  
And I can't let go  
Can't let go

I once had your lovin', baby  
Can't let go  
I once had your lovin', baby  
Can't let go

I once had your lovin', baby  
And I can't let go, ooh
