

# If You Were There

The Isley Brothers

You're the one that makes my day a dream come true,  
Yet and still you wander if I think of you,  
You ought to see how the other girls behave when you're not around,  
And only then you would know that it's on your finger I'm wound

If you were there you'd know  
If you were there you'd know  
If you were there you'd know  
If you were there you'd know  
That I care

There's no need for you not to have faith in me,  
'cause it's by your side girl that I long to be,  
Yes there are times with my friends when I don't have much to say,  
What you don't know is with you I could never act that way

If you were there you'd know  
If you were there you'd know  
If you were there you'd know  
If you were there you'd know  
That I care

I care for you baby  
I swear I care for you  
I care for you baby

There's no need for you not to have faith in me,  
'cause it's by your side girl that I long to be,  
Yes there are times with my friends when I don't have much to say,  
What you don't know is with you I could never act that way

If you were there you'd know  
If you were there you'd know  
If you were there you'd know  
If you were there you'd know  
That I care

I care for you baby  
I swear I care for you  
I care for you baby  
You know I care for you...
