

Just Like This

The Isley Brothers

Oh, oh
Yeah, yeah yeah

How can I refuse your body laying next to me
I wanna know if you see the same thing that I see
Listen baby
Laying right here in your bed is where I wanna be
Making love to your body with your body on top of me

Oh, how I wanna love you babe
Just like this, just like this
Oh, how I wanna touch you babe
Just like this, just like this
Oh, how I wanna feel you babe
Just like this, just like this
Oh, how I wanna love you babe
Just like this, just like this

I wanna try something new baby
That we never tried before
I wanna do something to you babe
Wait a minute, come back here on the floor
Oh tell me how do you like Mr. Bigg's cashmere rug baby
Does it feel good to your body baby
Make you feel right

Oh, how I wanna love you babe
Just like this, just like this
Oh, how I wanna touch you babe
Just like this, just like this
Oh, how I wanna feel you babe
Just like this, just like this
Oh, how I wanna love you babe
Just like this, just like this

Oh, keep on pushing babe
Don't stop now
Slow it down
Make it go round and round
And round and round and round
It's time to go down
Don't stop what you doing babe cuz
I'm going down

Oh, how I wanna love you babe
Just like this, just like this
Oh, how I wanna touch you babe
Just like this, just like this
Oh, how I wanna feel you babe
Just like this, just like this
Oh, how I wanna love you babe
Just like this, just like this
