

Love Is a Wonderful Thing

The Isley Brothers

Birds fly, they don't think twice
They simply spread their wings
The sun shines, it don't ask why
Or what the whole thing means
The same applies to you and I
We never question that
So good, it's just understood
Ain't no conjecture
Just a matter of fact

Love is a wonderful thing
Make ya smile through the pouring rain
Love is a wonderful thing
I'll say it again and again
Turn your world into one sweet dream
Take your heart and make it sing
Love, love is a wonderful thing
The only thing a river knows
Is runnin' to the sea
And every spring when a flower grows
It happens naturally
The same magic when you're in my arms
No logic can define
Don't know why, just feels so right
I only know it happens every time

Oh when the cold wind blows
I know you're gonna be there to warm me
That's what keeps me goin'
And our sweet love will keep on growin'

Love is a wonderful, wonderful thing
Love is a wonderful, wonderful thing
It's what makes honey taste sweet
It's what makes your life complete
