## Love Is What You Make It

## The Isley Brothers

Love is what you make it Love is what you make it Love is what you make it Love is what you make it

Give love a chance girl You're still young You still got time Handle it with kid gloves girl You gotta treat love kind

Love is what you make it baby It's what you make it
Love is what you make it baby It's what you make it

Always trust each other
Be true to one another
It's a great, great pleasure
When you're doing things together

All though thick and thin Stay together till the end Take it for what it's worth It's the greatest thing on earth

Love is what you make it Love is what you make it
