

# Mission to Please You

The Isley Brothers

My mission's to please you (Yeah woa-oh)  
My aim it to keep you  
I'm gonna love you (Yeah)  
Woa-woa (Oh-oh)

Open up your windows, girl  
And let the breeze blow through  
No tellin' what love has  
In store for me and you

I'm sensitive to all you want  
And everything your body needs  
I can read your every thought (Oh every thought)  
I can tell you'r ready for me

I'm so glad that love  
Has chosen you and me

My mission's to please you (Yeah woa-oh)  
My aim it to keep you  
I'm gonna love you (Yeah)  
Woa-woa (Oh-oh)

My mission's to please you (Yeah woa-oh)  
My aim it to keep you  
I'm gonna love you (Yeah)  
Woa-woa (Oh-oh)

So happy to be here with you  
No other place I'd rather be  
Than touching every part of your body  
Feeling your sweet lips all over me

And I'm so glad that love  
Has chosen you and me

My mission's to please you (Yeah woa-oh)  
My aim it to keep you  
I'm gonna love you (Yeah)  
Woa-woa (Oh-oh)

My mission's to please you (Yeah woa-oh)  
My aim it to keep you  
I'm gonna love you (Yeah)  
Woa-woa (Oh-oh)

Anything you want (All the time)  
Anything you need (Yeah)  
Anything to please you (Satisfied)  
Girl, I'm on a mission for you
