## **Prize Possession**

## **The Isley Brothers**

Sanctuary Is what you Are to me Yeah No dictionary Can find The words to say How much I love you Hallejiah It's bout time I found someone Whose gonna love me For me Hey Miss Beloved Since you come into my life And unlocked the door To my heart I've been free Many have called But the chosen are few Yeah Said there's so few That's why I'm so happy Woman To be lying next to you Yeah Prize possession You're my Movie star My near or far My everything You are my Prize possession You are my cozy nights My fireplace My sweet melodies You put the light at the end of my Tunnel Yes you did And you did not let me die When it looks like life was gettin' away From me Ohhh You loved And clothed And you fed me woman I remember Momma You're my best friend I love you And woman you've got to know your My prize possession Said you are my

Movie star My near or far My Christmas carol

Prize possession You are my Cozy nights My fireplace My sweet melodies

Lady April Let your rain fall down It's much cozier when it's wet We can cuddle up together Oohhhh Aww! C'mon suga We can weather any storm A family that prays together Will stay together

Prize Possession
