

# Vacuum Cleaner

The Isley Brothers

My love  
Is like a vacuum cleaner  
Would you believe  
It keeps pullin' me in

My love  
Is like a vacuum cleaner  
Would you believe  
It keeps pullin' me in girl

Come on get a witness  
You got to keep on tryin'  
My love baby  
So satisfyin'

I gotta love you  
Everyday now  
I wanna treat you baby  
Every which-a way

My love now  
Is like a vacuum cleaner  
Would you believe  
It keeps pullin' me in now

My love

Is like a vacuum cleaner  
Would you believe  
It keeps pullin' me in now

My love

A fence around you  
I wanna make some  
Stay by my side

I wanna keep you  
Keep you happy baby
