

# What It Comes Down To

The Isley Brothers

Here I am loving you, you're like a dream come true  
For so long I've waited for this time  
Girl what you mean to me, in reality, is more than I ever  
hoped for  
You will always be, more than right for me, each day I  
love you more

Well what it comes down to, this is all I want from you  
Same as you want from me; that can only be  
Love and understanding  
For what we have at stake, a little give and take  
It's better than demanding

Why do we stay together, talking about you and me,  
You got your reasons, I got mine  
Oh, if it had to be, one and only me, sure would be a  
drag now,  
Need somebody who, needs somebody to, keep from being sad  
now

Well what it comes down to, this is all I want from you  
Same as you want from me; that can only be  
Love and understanding  
For what we have at stake, a little give and take  
It's better than demanding
