Freeze Frame

The J. Geils Band

I could see it was a rough-cut Tuesday Slow-motion weekdays stare me down Her lipstick reflex got me wound There were no defects to be found Snapshot image froze without a sound

Thursday morning was a hot flash-factor Her face still focused in my mind Test-strip proof-sheet love is hard to find Friday night we'll dance the spotlight grind Stop-time heart for me if she's not mine

Freeze-frame! (Freeze-frame!) Freeze-frame! Now Freeze!

Now I'm lookin' at a flashback Sunday Zoom lens feelings just won't disappear Close-up darkroom sweet-talk in my ear Her hot-spot love for me is strong This freeze-frame moment can't be wrong Freeze frame
